Registration checklist for High School Guest and Dual Enrollment Students

☐ Students applying for the **first time** must complete the following steps:

1. Academic Assessments

SC4 requires all new students to complete pre-registration assessments of their math, reading and writing skills. The scores will be used to ensure proper course placement. Call (810) 989-5555 to schedule your assessments. Students also may submit ACT or SAT scores for course placement, which may be available from your high school counseling office.

2. Orientation

Orientation is held on SC4's Port Huron campus and is designed to assist students in getting off to a great start to their college careers. A campus tour and need-to-know information is provided in the orientation. Call (810) 989-5520 to schedule orientation once academic assessment scores have been submitted.

3. Academic Advising

SC4 requires all first-time high school guest and dual enrollment students to meet with an advisor. The advising appointment helps students plan for classes for the first semester and obtain information regarding degrees/certificates. Call (810) 989-5520 to schedule an appointment.

4. Activate your SC4 Portal

The SC4 Portal is a critical piece of your college experience. From within your portal, you can check your student email, register for classes and more. Your SC4 acceptance letter provides you with username and password detail; use this information to activate your portal account. Contact the One-stop Student Service Center at (810) 989-5500 with questions.

5. Register and Pay for Classes

Once you have completed the above enrollment steps, you may register and pay for any remaining tuition balance, if applicable, either online at <https://portal.sc4.edu> or in the One-stop Student Service Center, first floor, SC4 Welcome Center. Some college courses may cost more than the tuition cap indicated by your high school. Be sure to pay any remaining tuition balance to ensure your seat in class.

Visit second floor, SC4 Welcome Center, to get your student ID photo taken. You must provide photo ID (valid driver license, state ID or passport) to verify identity.
