**Article I**  
**Agreement on Principle**

---

Eastern Michigan University (EMU) and St. Clair County Community College (SC4) agree that students who choose to transfer from a community college to a senior college or university to earn a bachelor's degree, should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, EMU and SC4 agree to enter into this program articulation agreement to facilitate the completion of the Criminal Justice Corrections or Law Enforcement program at SC4 and the Bachelor of Science in Public Safety Administration at EMU. Both parties enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

**Article II**  
**Agreement on Program Specifics**

---

EMU and SC4 agree that any student who has satisfied the minimum requirements listed in Article III may transfer the course credits indicated toward a BS in Public Safety Administration at EMU. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in courses offered by EMU, of which 15 hours must be in major/program requirements at the 300-level or above. A minimum of 124 total credits is required to graduate.

The Michigan Transfer Agreement (MTA) requirements may be completed at the most appropriate time for the student whether before or after admission to EMU. Students who enrolled in college prior to fall 2014 may use the MACRAO agreement and have until August of 2019 to have MACRAO requirements evaluated by the community college. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019. Students who have not satisfied the MTA or MACRAO agreement must complete EMU's General Education Requirements as applied to transfer students. All other EMU graduation and program requirements must be satisfied whether by transferred courses, EMU courses, or approved substitutions or waivers.

For the purpose of this articulation agreement, both SC4 and EMU agree to accept transferable courses from each other and from other institutions. Articulation guides will be provided to assist students in completing the articulated program of study. Each institution will determine the satisfaction of their individual program and degree requirements. SC4 courses indicated with an \* on the articulation guide and listed in Article III are required for EMU's program. Any substitutions for these courses must be approved by the EMU program coordinator if not already stated in the agreement. In the case of a student who has accumulated credits before declaring this program, every effort will be made to maximize the use of credits already completed. All students using this agreement will be encouraged to complete an associate degree. Students using

this agreement must apply and be admitted to EMU. SC4 students will receive equal consideration with other students seeking admission and financial aid.

### **Article III**

#### **Minimum Articulation Agreement Requirements**

---

SC4 students who complete an AAS degree, with at least a “C” or better in the SC4 courses/credit hours listed below; and who satisfy EMU’s admission requirements, will be accepted into the articulation agreement. Other students may be accepted with the permission of the EMU program advisor.

### **Article IV**

#### **Agreement on Communication**

---

EMU and SC4 agree to cooperate in communicating with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students. EMU will provide transfer student performance data to SC4 officials annually, by October 31st, through the Community College Transfer Student Report. <http://irim.emich.edu/distribute/cctransfer/index.php>

### **Article V**

#### **Maintenance and Review Procedures**

---

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the Director of Advising and Articulation at St. Clair County Community College and the Head of the Department of Political Science at EMU. Both parties agree to communicate annually any changes in their respective programs that may affect this agreement.

#### **Effective Dates: September 1, 2016 until August 31, 2019**
