

**ARTICULATION AGREEMENT
BETWEEN
THE REGENTS OF THE UNIVERSITY OF MICHIGAN
ON BEHALF OF THE UNIVERSITY OF MICHIGAN-FLINT
SCHOOL OF EDUCATION AND HUMAN SERVICES
DEPARTMENT OF SOCIAL WORK
AND
ST CLAIR COUNTY COMMUNITY COLLEGE**

This Articulation Agreement ("Agreement") is made by and between the Regents of the University of Michigan, a Michigan Constitutional Corporation, on behalf of the University of Michigan-Flint Department of Social Work ("UM-Flint"), located in Flint, Michigan, and St. Clair County Community College ("SC4"), located in Port Huron, Michigan, to provide an easy transition for SC4 students transferring to the University of Michigan-Flint.

GOALS

Through this Agreement, the parties will endeavor to:

- Encourage SC4 students to apply to and, if admitted, enroll in UM-Flint.
- Assist SC4 transfer students in their transfer from SC4 to UM-Flint.
- Expand the academic cooperation between the UM-Flint and SC4 through mutual dialogue and interaction.
- Increase retention of SC4 transfer students through enhanced advisement and closely articulated academic coursework.
- Promote SC4 student academic preparation and transfer planning.
- Support and promote the value and benefits of community college transfer to obtain a bachelor's, or higher, academic degree.

**ARTICLE I
MUTUAL COMMITMENTS OF PARTIES**

UM-Flint and SC4 agree:

- A. UM-Flint and SC4 will maintain the integrity of their separate academic programs and enter into this Agreement as cooperating institutions. This Agreement does not create any agency, partnership, joint venture, or employment relationship between the parties.
- B. Students who successfully complete the course requirements as delineated in this Agreement may transfer applicable general education and major courses earned at SC4 toward a Bachelor's degree at UM-Flint. UM-Flint reserves the right to require SC4 students to complete standard admission forms/applications and provide any other necessary documents deemed necessary by UM-Flint. This Agreement does not guarantee SC4 students acceptance into UM-Flint. SC4 students will be considered for admission on an equal basis with all other applicants to UM-Flint, provided that they meet the prerequisites and requirements for admission to UM-Flint. UM-Flint reserves the right of final approval on the admission of a SC4 student.
- C. Marketing of the articulation program established under this Agreement will be subject to the prior approval of both parties. Each party will assume responsibility for appropriate marketing to communicate information about this Agreement to their respective student and faculty population. Each party agrees it will not use the other party's name(s), mark(s), or logo(s) in any advertising, promotional material, press release, publication, public announcement, or through other media, whether written, oral, or otherwise without the prior written consent of the other party. Prior written consent will not be required for use of the other party's name in the context of factual or descriptive statements regarding the subject matter of this Agreement.

- D. To the extent permitted by applicable law, including the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, and its implementing regulations, 34 C.F.R. § 99.1 et seq., SC4 and UM-Flint will share data on student achievement to assess program effectiveness.
- E. SC4 may provide a web link to UM-Flint's web site and UM-Flint may provide a web link to SC4's web site.

ARTICLE II
ACADEMIC REQUIREMENTS

- A. UM-Flint graduation requirements for SC4 students who transfer to UM-Flint under this Agreement assume completion of a total of at least one hundred and twenty-four (124) semester hours, including those transferred from SC4, and completion of the required upper division courses specified in the current UM-Flint catalog. SC4 students are required to complete at least forty-five (45) institutional hours at UM-Flint. A grade of "C" (2.0) or better is required of courses for transfer to UM-Flint.
- B. Curriculum, degree requirements, and policies for either party are subject to change without the approval of the other party; however, a six (6) month prior written notice shall be given by the party making the change to permit the other party to make any adjustments necessary so that an appropriate amendment or addendum to this Agreement can be prepared.

ARTICLE III
COMMITMENT BY UM-FLINT

UM-Flint shall:

- A. Encourage regular review and update of the transfer curriculum guide to ensure it is possible for a SC4 student to transfer to the UM-Flint after completion of two (2) years at SC4 or receipt of the appropriate Associate degree, even though the SC4 student may choose to take a longer period of time before seeking to transfer.
- B. Provide transfer planning advisement to SC4 regarding UM-Flint admission and graduation requirements.
- C. Provide current transfer information to SC4.
- D. Invite faculty from SC4 for curriculum and/or articulation-related forums hosted by UM-Flint.
- E. Provide information to SC4 faculty and students regarding academic and cultural events on UM-Flint's campus and encourage joint attendance.
- F. Develop periodic assessment tools that provide, to the extent permitted by law, SC4 and UM-Flint with information about SC4 student performance and satisfaction at UM-Flint.

ARTICLE IV
COMMITMENT BY SC4

SC4 shall:

- A. Encourage regular review of the transfer curriculum to ensure that it is possible for a SC4 student to transfer to UM-Flint after completion of two (2) years at SC4 or the appropriate Associate degree, even though a SC4 student may choose to take longer before seeking to transfer.
- B. SC4 shall provide current transfer information to UM-Flint.
- C. Encourage visits by its faculty, advisors, and students to UM-Flint, as well as invite UM-Flint faculty and advisors to SC4.

ARTICLE V
CONCURRENT ADMISSION; FINANCIAL AID

In addition to transferring to UM-Flint upon completion of their studies at SC4, students may concurrently take courses, and have access to advising and other services, at both SC4 and UM-Flint. However, federal regulations require that students receive financial aid from only a single institution from which courses are taken during a given quarter or semester. Accordingly, advisors should recommend that financial aid recipients take all their courses in a given quarter or semester at either SC4 or UM-Flint. If a SC4 student attends both SC4 and UM-Flint in a single semester, financial aid may be granted from only one institution unless the parties enter into a separate written consortium agreement to allocate and distribute financial aid between SC4 and UM-Flint.

ARTICLE VI
MISCELLANEOUS PROVISIONS

- A. This Agreement will become effective on the last date of signing and shall remain in effect for five (5) years, unless terminated as set forth in this section. Should either party wish to terminate this Agreement, notification shall be given in writing at least six (6) months prior to the effective date of termination.
- B. No amendment or modification to this Agreement, including any addenda, shall be effective unless in writing and signed by both parties.
- C. This Agreement constitutes the entire agreement between the parties regarding the subject matter, and all prior discussions, agreements, and understandings regarding the subject matter, whether oral or in writing, are hereby merged into this Agreement.
- D. Each party shall accept, assign, supervise, and evaluate qualified students regardless of race, sex, color, religion, creed, national origin or ancestry, age, marital status, disability, veteran status, height, or weight, in accordance with applicable state and federal law. In addition, UM-Flint does not discriminate on the basis of sexual orientation (including gender identity and gender expression) in accordance with the policies of the University of Michigan.
- E. Each party shall defend, indemnify, and hold harmless the other party, its board members, officers, employees, and agents from and against any costs, losses, damages, liabilities, expenses, demands and judgments, including court costs and attorney fees, which may arise out of the indemnifying party's acts or omissions under this Agreement for which the indemnifying party would be liable in law or equity. The indemnifying party shall keep the other reasonably apprised of the continuing status of the claim, including any proceedings resulting from it, and shall permit the other party, at its expense, to participate in the defense or settlement of the claim. When a claim is resolved by the indemnifying party's payment of money, it shall have final authority regarding defense and settlement. When a claim resolution requires equitable relief against the non-indemnifying party or the indemnifying party has not or will not pay the money required for resolution, the parties shall cooperate regarding defense and settlement.
- F. This Agreement shall be deemed to be made under the laws of the State of Michigan and for all purposes shall be construed in accordance with the laws of the State of Michigan.
