1. The Student Code of Conduct describes the rules and expectations established by the College for student conduct. The system for Disciplinary Procedures Action is to be used in cases of student noncompliance with the Student Code of Conduct. It provides for temporary imposition of sanctions by an appropriate College official and requires reporting of all code violations and disciplinary actions to the Director of Behavioral Intervention or Retention Alert. Code infractions/discipline imposed must be reported in writing with relevant documentation within 24 hours of the incident when possible. Campus Patrol may assist in reporting process. Reports of violations and discipline may be submitted to or submitted through Retention Alert. The Director of Behavioral Intervention (or designee) will review and support, or modify all reported disciplinary actions, notify students, and document the matter. Due Process is applicable upon the written request (appeal) of the student after a disciplinary decision has been made and/or supported by the Director of Behavioral Intervention (or designee).

2. Students may be charged with noncompliance with the College’s Student Code of Conduct (as stated on our website and College Catalog) by either violating the general or academic rules and regulations of the College as presented in but not limited to the Student Code of Conduct.

Dress, grooming and personal cleanliness standards contribute to the ambiance and character of the college. APPROPRIATE CONDUCT
Students are expected to act responsibly and to conduct themselves in the classroom and on the campus in a manner that does not disrupt the learning process. A climate of mutual respect and courtesy should exist between faculty, staff and students. However, students must recognize that instructors and staff, by virtue of their positions, must exert a measure of authority in the classroom and other campus areas. Students should respect this authority. Disciplinary problems may result in a student being withdrawn from class and, in extreme cases, dismissed from the college.

When the instructor has sufficient evidence of cheating or plagiarism, the instructor may impose disciplinary actions such as assigning a failing grade to the student’s assignment, quiz, paper or test. **Student Complaint Process**

When a concern arises that is covered by College Policy, including sexual harassment, racial or sex discrimination, or those arising under the Americans with Disabilities Act, the issue should be referred to the Office of Human Resources. All others will be handled in the following manner (Complaint Process):

August 2016 by dpg
The student will meet with the faculty or staff member involved to attempt to resolve the concern.

If a satisfactory resolution has not been reached, the student has the option to consult with the appropriate division administrator or supervisor.

If the issue has not been satisfactorily resolved with the division administrator or supervisor, the student has the option to meet with the next appropriate supervisor for final resolution.

Academic environment matters should be addressed to the Chief Academic Officer. The student must provide specific documentation of the resolution efforts and to support issues and concerns related to the complaint.

**Weather Closing**

If the college closes because of severe weather, announcements will be made as early as possible.

The Port Huron campus may close for day classes only, night classes only, or for both day and night classes. Day classes are defined as classes that begin between 8 a.m. and 5:30 p.m. Night classes are defined as classes that begin between 6 and 10 p.m. (Note: If the college is closed for day classes, but open for night classes, the Achievement Center, College Bookstore, Library and student support services offices will remain closed for the evening.)

The Port Huron campus also may close early at any point in the day or evening. Off-campus centers make independent decisions about closing. Whether they are open or closed is not related to if the Port Huron campus is open or closed.

To ensure you are getting accurate information, check the front page of the college website (www.sc4.edu), listen to the voicemail message on the college’s main switchboard at (810) 984-3881 or the class cancellation hotline at (810) 989-5770, or login from home and check the SC4 Portal and your student email account. Please note: Cancellations by the instructor for individual classes will be reported only on the class cancellation hotline at (810) 989-5770, on the SC4 Portal and through other methods the instructor chooses.

Text alert messages available: You may sign up to get text alert messages about closings delivered to your cellular phone or other wireless device. Sign up by accessing WAVE in the SC4 Portal. Alerts will arrive labeled from "SC4 alerts."

While details about closings also will be reported by local newspapers, radio and television stations, and their websites, the only information the college can guarantee the accuracy of for SC4 closings will be on the college website, switchboard, class cancellation hotline, email and text alert messages.

Specifically for early closings: If the Port Huron campus closes early at any point in the day or evening, Campus Patrol will notify classes in session about the closing. Because of the possibility of closing early, students should monitor the various communications listed above throughout the day.

Because SC4 is not in a busing situation, the college’s decision on closing is not related to decisions to close by any K-12 school districts.

If the college must close for severe weather during finals week, special announcements will be made regarding final exams.

However, if a student submits a work for publication, display or performance to any college activity, the student thereby grants the college the right to edit, publish, display, perform, record and transmit the work.
