Important Questions	Answers	Why this Matters
What is the overall deductible?	\$1,400 person / \$2,800 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes, the <u>deductible</u> doesn't apply to <u>preventive care</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Yes. \$2,000 person / \$4,000 family The maximum <u>out-of-pocket limit</u> for any one individual within the family is \$7,900.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, services that exceed an annual day/visit limit, and any <u>co-pays</u> and <u>co-insurance</u> you pay for any non-essential health benefit.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See PriorityHealth.com or call 1-800-446-5674 for a list of <u>participating providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the in-network <u>specialist</u> you choose without a <u>referral</u> .

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
