History

St. Clair County Community College (SC4) was founded as Port Huron Junior College in 1923. Voters in 1967 approved transforming the junior college into St. Clair County Community College.

The college first received its accreditation from the North Central Association in 1931. SC4 is accredited by the Higher Learning Commission and is a member of the North Central Association of Colleges and Schools.

The college is located along the banks of the Black River in downtown Port Huron, near the southern tip of Lake Huron and just across the St. Clair River from Ontario, Canada. SC4 serves as the primary center of higher education for the Blue Water Area. We work to fulfill the diverse needs of our educational communities by providing a broad range of educational, cultural, and social learning opportunities. We offer a comprehensive future-focused curriculum and prepare students for the changing global economy.

You must pay for your own health care in the United States. St. Clair County Community College does not have a student infirmary or medical center. New international students are required to show proof that they have health insurance, which includes repatriation coverage, for the cost of any medical bills incurred while in the U.S. Those students who are uninsured are required to buy comprehensive U.S. medical health insurance policies before arriving to cover their stay in the United States.

Housing

St. Clair County Community College offers student housing. Visit www.sc4.edu/campus-life/housing/ for information. Students are not required to live in on-campus housing, but should have housing arrangements prior to arrival.

Final enrollment steps

Before registering for classes, new students must complete:

1. Placement Test (Reading, Writing and Math)
2. Academic Advising: This appointment clarifies a student's academic path and assists in first semester course scheduling.

If the assessments indicate that developmental courses are needed, students must enroll in courses selected for them by an academic advisor.

Tuition payment

Tuition for classes must be paid at the time of registration.

Anyone (with the exception of certain Canadian residents) who is in the U.S. as an F-1 international student will pay the international student tuition rate for the duration of their schooling at SC4.

Students should plan to have tuition funding available when registering. St. Clair County Community College does not hold classes for students while waiting for funds to arrive from abroad.

Any checks issued to the college (in U.S. funds) that do not clear the college's bank deposit will require an immediate cash or money order payment. Failure to pay will result in the student being dropped from his or her

classes.

Tuition is calculated by contact hour; see the college catalog for course information.

All outstanding student financial obligations must be paid prior to class registration for the next semester.

F-1 contract form

Read carefully, sign, and send with your application.

The minimum score required on the Internet-based TOEFL exam is 68; the minimum ELS proficiency level required is 109. The SC4 code for TOEFL is 1628. Exceptions are made if the student's home country's official language is English.

Summary of United States Citizenship and Immigration Services regulations for F-1 students

F-1 visa status is granted for the purpose of being a full-time student. Students are required to abide by strict regulations from the United States Citizenship & Immigration Services (USCIS). Penalties for violations of immigration law can be severe; therefore, it is extremely important for students to understand and comply with all regulations.

F-1 status students must:

- a. **Attend class.** Many instructors calculate absences into final grades. You must achieve passing grades ("C" or better). A cumulative GPA of 2.0 or higher and a credit completion rate of at least 67% is required to achieve satisfactory academic progress.
- b. **Maintain sufficient funds** for tuition, fees, books, and living expenses. Tuition/fees are due in full each semester by the payment deadline. F-1 status students are not eligible for U.S. federal financial aid programs.
- c. **Accept only part-time employment** on campus while school is in session. Part-time is defined as up to 20 hours per week. Employment is not guaranteed. DO NOT accept unauthorized employment.
- d. Purchase and maintain **U.S. health insurance**, including repatriation coverage, throughout your enrollment. Proof of insurance is required.
- e. **Keep your passport, visa, and Form I-20 valid** at all times. If your Form I-20 expires prior to completion of your academic program, contact the international student specialist before expiration.
- f. **File a federal tax form** each year. You may be required to file a State of Michigan income tax form if you have earned income during the year. Check <http://www.irs.gov> and <http://www.michigan.gov/treasury> for procedural information.
- g. **Report any changes** in your visa status. The USCIS.gov website provides all forms for printing. Prepare all documentation and speak with the international student specialist to complete the College's portion of the form.
- h. **Check your SC4 email account** for communications relevant to your student status.
- i. **Report address changes** within 10 days of moving.
- j. **Ensure endorsement** of your Form I-20 if you plan to leave the country for travel or vacation. Students must obtain a designated school official's signature in advance of travel. Exiting the U.S. without the proper signature may result in difficulties with re-entry.
- k. **Contact the international student specialist** if you have any questions about the above information.

Agreement:

By signing here, I certify that I have read and understand this information. I certify that I take full responsibility for all of the above criteria and that failure to comply with any of these regulations or rules may result in delay, denial, or withdrawal of admission or continued attendance/enrollment.
