

Futures for Frontliners and Michigan Reconnect Continued Eligibility Appeal

In addition to being enrolled at least half-time (6 or more credit hours), the *Futures for Frontliners* and *Michigan Reconnect* programs require that students attend at least two semesters within a twelve-month period. Students who do not meet these criteria lose their eligibility for the programs. Please keep in mind that the credit hours you attend must apply towards your program of study at SC4.

We know that life and program availability often can get in the way as you are attending college. Due to this, there is an option for you to appeal this requirement and request that you be allowed to continue as a *Futures for Frontliners* or *Michigan Reconnect* recipient. By completing this appeal form, you are requesting reinstatement of eligibility for the programs. Appeals will be reviewed on a case-by-case basis. Appeals may be granted for reinstatement or denied reinstatement; be sure to submit appropriate supporting documentation (i.e., copies of death certificates, medical reports, etc.).
