

Futures for Frontliners and Michigan Reconnect Appeal

The *Futures for Frontliners* and *Michigan Reconnect* programs require that students maintain eligibility in the program by successfully completing 12 credit hours in their program of study by the end of an academic year. Students who do not meet this criterion lose their eligibility for the programs. Please keep in mind that the credit hours taken must apply towards your program of study at SC4.

We know that life and program availability often can get in the way as you are attending college. Due to this, there is an option for you to appeal this requirement and request that you be allowed to continue as a *Futures for Frontliners* or *Michigan Reconnect* recipient. By completing this appeal form, you are requesting reinstatement of eligibility for the programs. Appeals will be reviewed on a case-by-case basis. Appeals may be granted for reinstatement or denied reinstatement; be sure to submit appropriate supporting documentation (i.e., copies of death certificates, medical reports, etc.).
