

# SC4 Radiologic Technology Program

## Documentation of Job Shadowing in a Hospital

Schedule your time early. Time slots are limited. Contact Human Resource Departments at your local hospitals or imaging centers. It is up to you to make your own arrangements. (**DUE February 1**). While other modalities may be observed, the majority of your time **must** be spent in radiology.

### **Instructions for Student**

- Please dress comfortably and professionally (no jeans or t-shirts)
- Keep in mind that the x-ray equipment may cause the rooms to become warm
- Please inform clinical staff of any medical procedures that you have difficulty observing
- Please eat breakfast the morning of your site visit to prevent light-headedness
- Please bring this form with you on the day of your site visit
