VISION: Create an inclusive academic and cultural environment that empowers students to succeed in the community and beyond.

MISSION: Provide innovative pathways for personal and professional advancement.

2025 GOALS: Enrollment, Retention, Completion and Campus Culture

VALUES:

- Student Success: We nurture and provide compassionate academic support and services to our students.
- Diversity: We foster a sense of belonging and celebrate the differences in others by having dignity and mutual respect for all.
- Transparency: We enhance campus culture by being open and honest.
- Community Engagement: We collaborate and develop talent for vital growth of our community.
- Innovation: We provide relevant educational experiences by anticipating the needs of our community and adapting to the changing of programs and times.
