AGREEMENT

THIS AGREEMENT is entered into this 1st day of July, 2024, by and between the St. Clair County Community College, 323 Erie St., P.O. Box 5015, Port Huron, Michigan, 48061-5015, and all other locations, hereinafter called the "College", party in the first part, and Teamsters Local 214, State, County and Municipal Workers, an affiliate of the International Brotherhood of Teamsters, Chauffeurs, Warehouse members, and Helpers of America located at 2825 Trumbull Avenue, Detroit, Michigan, 48216-1290, hereinafter called the "Union", party of the second part.

WHEREAS:

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the College, employees, and the Union.

To achieve these ends, the College and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

The provisions of this Agreement shall be applied in a reasonable, non-discriminatory and equitable manner as defined by law.

THEREFORE: It is mutually agreed as follows:

ARTICLE I

Recognition, Union Security, and Dues

- A. The College recognizes the Union as the sole and exclusive representative of the physical plant employees covered by this Agreement and accordingly will neither make nor enter into any agreements with any individuals or other unions with respect to rates of pay, wages, hours of work, and other conditions of employment for the entire term of this Agreement for all the physical plant employees.
- B. Membership in the Union is not compulsory. Regular employees have the right to join, not to join, maintain or drop their membership in the Union. Neither party shall exert any pressure on or discriminate against any employee regarding such matters.

Employees who join the Union may have their Union dues paid by payroll deduction upon written authorization of the employee. Those presently on payroll deduction will be continued unless they otherwise notify the College in writing. Those wishing to stop their payroll deduction may do so at any time by notification to the College in writing. Those wishing to start payment of union dues may do so by written notification to the College to begin dues withholding.

- A. The Union agrees to indemnify and to hold the College harmless from any and all costs, attorney fees, and damages which may be incurred or assessed against the Board or its members, or the College as a result of the dues deduction so long as the College notifies the Union of any such legal action and permits the Union, at its own expense and through its own counsel, to defend such action. Such deduction for Union dues and fees shall be remitted on a monthly basis, no later than the 10th of the following month, by arrangement of the Head of payroll and the Union.
- C. Membership in the Union is separate, apart and distinct from the assumption of obligation on the part of any employee covered by this Agreement. The Union is required under this Agreement to represent all of the employees equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members of the Union, and this Agreement has been executed by the College after it has satisfied itself that the Union is the choice of a majority of the employees in the bargaining unit.

ARTICLE II

Union Representation and Activities

- A. The College recognizes the right of the Union to designate a Steward and/or alternate. Such representatives must be employees of the College who meet the requirements of the Union. The authority of the Steward and alternate shall be limited to and shall not exceed the provisions outlined in this Article. There shall be only one (1) Steward at any given time.
- B. The Union agrees that it will certify to the College the names of newly elected and/or appointed Steward and alternate members during the term of this Agreement. Such a Steward and alternate member shall not be entitled to exercise their respective functions as herein described until the College has been so notified.
- C. The duties and activities of the Steward and alternate shall be as follows:
 - 1. To investigate and present grievances in accordance with the provisions of this Agreement.
 - 2. To serve as a collective bargaining team.
 - 3. To transmit such messages and information which shall originate with and are authorized by the Union, provided such messages and information:
 - a. have been reduced to writing, or
 - b. if not reduced to writing, are of a routine nature and do not involve work stoppages, slowdowns, refusal to handle goods, or any other interference with the operation of the College.
- D. The College will provide bulletin boards which may be used by the Union for posting notices approved by the College and limited to:
 - 1. Notices of Union meetings.
 - 2. Notices of Union Elections.
 - 3. Notices of Union appointments and results of elections.
 - 4. Notices of Union recreational and social affairs.
 - 5. There shall be no posting or any other kind of literature or material on campus property other than as herein provided, nor any distribution or transmission of any literature or material, other than the notices herein authorized, during the hours when those distributing or transmitting such literature or material or those receiving same are on College paid time.

The location of such bulletin boards shall be determined mutually by the College and the Union.
- E. Whenever it may be necessary for a Steward or alternate to leave work to handle grievances, they shall be entitled to do so to the extent of not over three (3) hours per pay period (two weeks), plus such time as may be required for grievance meetings at Step 3, provided they have permission from their immediate supervisor, or if the immediate supervisor is not then working, that there will be no disruption of nor interference with College work. The Steward and alternate shall perform their

regularly assigned work at all times, except when absent from work in accordance with the foregoing procedure.

- F. Authorized representatives of the Union shall be permitted, upon obtaining the approval from the Head of Physical Plant or Head of Administrative Services, to visit the College during work hours to talk with the Steward and/or alternate and/or representative of the College concerning matters covered by this Agreement, it being understood that there will be no interference with the work.
- G. This Article of the Agreement is concerned with the proper functioning of the Union representatives. Except as specifically provided herein, no employees shall make any use of working hours for any Union activities which interfere with the efficient performance of work.
- H. The College shall inform an employee that he/she has the right to Union representation in any meeting or hearing that could result in discipline being taken against the employee.

ARTICLE III

Seniority

- A. The College will prepare a Master Seniority List, as soon as reasonably possible after this Agreement becomes effective, which will list, in order, the names of all employees covered by this Agreement, prepared in accordance with the provisions hereof. This Master Seniority List will be as accurate as possible at all times and will be on file in the Office of Human Resources and accessible to the Bargaining team and the Union Steward.
- B. When the Master Seniority List has been compiled as required in the foregoing paragraph, copies thereof will be made available for all employees in the bargaining unit through the Steward. At reasonable times thereafter, Union representatives will be entitled to request a duplicate copy of the Master Seniority List for the Union's information and files.
- C. The College agrees that only the names of the employees covered by this Agreement shall be placed on the Seniority List.
- D. Any employee desiring to protest the correctness of their position on the Seniority List shall file a protest in writing with the Head of Human Resources or designee. For purposes of this Agreement, such a list shall be deemed to be correct for any period prior to the date of filing such a protest. If said protest is not satisfactorily adjusted, it may be presented at Step 1 under the Grievance Procedure.
- E. Employees may not earn more than one year of seniority in a fiscal year.
- F. Seniority shall be adjusted as of January 1 and posted no later than January 10 of each year.

ARTICLE IV

Seniority Date

- A. Effective with this Agreement, seniority, except for retirement fund purposes, shall begin with an employee's initial date of employment at the College, regardless of source of funding for that employment. Upon completion of their probationary period, new employees and any other employees now serving a probationary period shall be placed on the Master Seniority List as of the original date and time of hire. Employees who have already established seniority prior to this contract, shall not have their seniority dates adjusted.

ARTICLE V

New and Probationary Employees

- A. Each new hire member shall serve a ninety (90) day probationary period during which time there shall be no responsibility on the part of the College for their continued employment or re-employment. A probationary employee may be terminated at the discretion of the College and such an employee shall have no recourse to the grievance procedure. The probationary period may be extended an additional ninety (90) days if a marginal evaluation is received by the employee at the ninety (90) day evaluation. During such probationary period, the employee will be paid at the minimum rate for their classification. If the evaluation is unsatisfactory, the employee will be released. During the probationary period, the employee shall accrue sick leave and vacation time, but shall not be able to use accrued vacation time until the probationary period has been satisfactorily completed. Probationary employees shall not receive pay for holidays or pay for days the College is scheduled to be closed.
- B. On occasion, the College may employ temporary personnel for part-time or full-time work for a period of up to six (6) months. These individuals will not receive sick leave benefits or vacation pay. These employees are intended to be temporary personnel only and shall not be used for the purpose of laying off any regular employees. If the temporary position is a new position that is to continue, then it shall be declared as a permanent position and posted in accordance with Article VI.A.1. Exceptions to the time periods mentioned above may be made for temporary individuals replacing an employee on a paid or unpaid leave.
- C. Federal programs involving work-study students are recognized as being outside the coverage of this Agreement, and that work-study students under such programs are not considered employees for the purposes of this Agreement.
- D. At least annually, during the month of April, the immediate supervisor shall submit a written evaluation of the performance of each employee under their supervision. Such evaluations shall be based upon employer established work standards which have been provided to the Union. All evaluations shall be discussed with the employee before they are placed in the personnel file. The employee shall have the right to add remarks, statements or other information pertinent to the evaluation. Such remarks shall be attached to the original evaluation in accordance with state law within 10 days from receipt.

The College will develop a form to be used for such evaluations. In the event of an unsatisfactory evaluation, the supervisors shall provide the employee with a program for improvement with a specific timeline. The employee shall be re-evaluated upon the completion of the improvement program. Unsatisfactory evaluations may be grounds for discipline.

The College will not reduce present full-time employees to part time during the period of this contract.

ARTICLE VI

Vacancies, Layoffs, and Rehiring

- A. The transferring, layoff, and rehiring of employees are the sole responsibility of the College, subject to the following:
1. All vacancies to be filled will be advertised within the College through written notice (electronic posting is acceptable) in each building for a period of five (5) working days. The successful applicant, internal or external, shall receive the rate for the new job. It is the College's determination if a vacant position is to be filled, changed or eliminated. The Union will be notified of its decision within a reasonable time frame.
 2. The College will make all decisions in filling vacancies. Employees with the longest seniority will be given preference, when all other factors are equal.
 3. Recall and layoff shall be based on the needs of the college as determined by administration. Part time employees facing layoffs may have their hours adjusted in lieu of being laid off by agreement between the College and the employee.
 4. In making layoffs and in the rehiring of laid off employees, seniority shall be used when all other factors are equal. In the event of a layoff, employees who have successfully completed probation may have the option of bumping based on their seniority and qualifications.
 5. The College will provide a 30-calendar day written notice prior to the effective date of the layoff. The College may elect to substitute pay in lieu of written notice for any portion up to the 30-day notice period.

ARTICLE VII

Loss of Seniority

- A. Seniority shall be lost (i.e. loss of employment) for the following reasons:
1. If the employee resigns.
 2. If the employee is discharged for justifiable cause.
 3. If the employee fails to report for work for three (3) or more days without notifying the Head of Physical Plant or the Head of Human Resources or designee not later than the third day of absence, unless an adequate reason is given for such absence by the employee.
 4. If the employee fails to return to work within five (5) days after being notified to report for work by personal service or certified mail to the last address given to the College and does not give satisfactory reasons as determined by the College. If an employee fails to return to work after five (5) days and said employee has not notified the Head of Physical Plant or Human Resources said employee is subject to immediate discharge.
 5. If the employee fails to return to work as scheduled upon the expiration of a leave of absence including, but not limited to FMLA leave.

ARTICLE VIII

Military Service

- A. If an employee enlists, or is drafted for active service in the Armed Forces of the United States or is required to leave because of enforced military training, upon their return employment shall be restored within the College, according to the law in effect at the time of such release from military service.

ARTICLE IX

Disciplinary Action

- A. The College shall not discharge, suspend, or otherwise discipline any employee without just cause. The College agrees that, in the event of a discharge or suspension without pay, the Steward or alternate representing the employee involved will be notified prior to, at the time of, or as soon as practical, after such penalty is imposed.
- B. Reprimands for minor offenses may be issued by an employee's immediate supervisor. Discharge shall be imposed for major or repetitive offenses and shall not be imposed unless authorized by the President or their designee.
- C. It is important that complaints regarding alleged unjust discharges, or suspensions be handled promptly under the Grievance Procedure, beginning at Step 2. Accordingly, grievances must be filed within three (3) working days of the layoff, discharge, or suspension. The College will review and render a decision on the case at Step 2 within five (5) working days of the receipt of the grievance.
- D. In the event that it is determined that a discharge or suspension without pay of any employee was without cause, the employee shall be reinstated unconditionally without loss of seniority and given back pay for the time lost. In the event however, that a discharge is reduced to a disciplinary layoff, compensation shall be paid for that portion only of the lost time in excess of such disciplinary layoff as finally determined.

ARTICLE X

Grievance Procedure

A. All grievances shall be presented and disposed of in accordance with the following procedure:

Step 1. The first step of the Grievance Procedure is an informal conference with the Head of Physical Plant. The informal conference must be requested by the grievant within ten (10) days of the occurrence upon which the grievance is based. The informal conference should take place within five (5) workdays of the request for the informal conference.

All formal grievances shall be presented and handled in accordance with the following procedure after compliance with the first step as set forth in Step 1 above.

Step 2. Each grievance shall be filed in writing and submitted to the Head of Human Resources. The written grievance shall be filed within ten (10) days of the first step, informal conference. Written grievances shall contain the following:

1. It shall be signed by the grievant(s) and Steward;
2. It shall be specific: who, what, when, where;
3. It shall contain an explanation of the facts giving rise to the alleged contract violation;
4. It shall contain the date of the alleged violation;
5. It shall state the remedy requested.

Within ten (10) days of receipt, the Head of Human Resources may choose to schedule a meeting with the grievant and union representatives for clarification of the grievance. If a meeting is scheduled, the Head of Human Resources shall provide a written response to the union within ten (10) days regarding the disposition of the grievance. If no meeting is scheduled, the Head of Human Resources shall provide a written response to the union within ten (10) days from receipt of the grievance.

Step 3. In the event, the grievance is not satisfactorily settled at Step 2, the Union shall have ten (10) days in which to request mediation for grievance resolution. An agreement by both parties to utilize mediation shall not constitute an obligation to reach a binding conclusion in mediation. Mediation shall be by a MERC mediator. Mediation shall be an attempt to reach agreement prior to arbitration. Mediation must be completed within thirty (30) days from the request. If mutual agreement to use mediation is not reached in ten (10) days after the written request for mediation, or a mutual resolution is not reached through mediation, then the Union shall have ten (10) days after mediation concludes in which to submit the grievance to binding arbitration in accordance with the procedures set forth.

The union shall have the right to delay the arbitration process for a period not to exceed sixty (60) days in order to have the matter reviewed by the Teamsters Union 214 Grievance Panel. The Union may appeal arbitral grievances which have complied with the grievance timelines to grievance arbitration under and in accordance with the rules of the American Arbitration Association. Notice of such appeal must be submitted to the College in writing.

If the parties do not agree on an arbitrator selection the Union shall file an arbitration notice within 15 calendar days through the American Arbitration Association. The filing with the American Arbitration Association shall be for the selection of the arbitrator only.

The Arbitrator shall be empowered, except as limited herein, after due investigation, to make a decision in cases of alleged violations, misinterpretations, or misapplication of a specific article and section of this Agreement.

Although the arbitrator may cite law in making their award, they shall have no power to interpret state and/or Federal Law, to hear any matter involving constitutional rights or to render any provisions of this Agreement inapplicable by reason thereof.

The Arbitrator's decisions shall be submitted in writing and shall set forth their findings and conclusions with respect to the issue submitted to arbitration.

There shall be no appeal from an arbitrator's decision, if within the scope of their authority as set forth herein, and it shall be final and binding on the Union, members of the bargaining unit, the employee(s) involved, and the College.

The arbitrator's fees and expenses, the cost of any hearing and the cost of a reporter, shall be borne by the losing party. All other costs and expenses shall be borne by the party incurring them. The expenses and compensation of any witness or participant attending the arbitration proceeding shall be paid by the party calling such witness or requesting such participation, excluding the Steward who is party to the grievance or their designee.

- B. A Union representative shall have the right to represent any employee in any grievance proceedings upon the request of that employee. A Union representative shall have the right to process a grievance on behalf of the Union. Any individual employee may present a grievance and have the right to process a grievance on behalf of the Union. Any individual employee may present a grievance and have such grievance adjusted, without intervention or a Union representative, if the adjustment is not inconsistent with the terms of this Agreement and if a Union representative has been given an opportunity to be present at such adjustment.
- C. At each step of the formal Grievance Procedure, the members of the administrative staff or the Board shall promptly determine the grievance and give notice of its determination to the individual involved or representative of the group and the Union at the step.
- D. Every grievance shall be deemed settled and incontestable unless within ten (10) days after receipt of such notice of determination at any step appeal is taken as above provided to the next succeeding step of the Grievance Procedure.
- E. The liability of the College arising out of a grievance shall be limited to not more than fifteen (15) days prior to the date of submission of the grievance in the first step.
- F. The College shall provide all necessary forms for the processing of grievances.
- G. No terms can be added to or subtracted from this Agreement, nor any provision thereof changed, by the Grievance Procedure. Except as otherwise provided in this Agreement, grievances shall be limited to disputes involving the application or interpretation of this Agreement (either as to the meaning of its terms or as to the rights of either party under these terms or as to the justification of action taken under these terms).

ARTICLE XI

Paid Leave Time

- A. All regular full-time employees hired before July 1, 2008 will earn one (1) sick day for each month employed subject to a maximum of twelve (12) workdays in any one fiscal year. Sick leave is credited at the beginning of each month but earned on the 15th of the month. Employees shall use sick time only as earned. All full-time employees hired before July 1, 2008 will be able to accumulate sick time without limit.

Employees hired full-time after July 1, 2008 will earn .833 sick days per month up to a maximum of 10 days per year. Sick leave is credited at the beginning of each month but earned on the 15th of the month. Full-time employees may maintain a sick time balance up to 75 days. There shall be no payout of sick time upon separation of employment.

Part-time employees hired before July 1, 2008, shall earn sick days on a pro-rated basis based upon their scheduled weekly work hours as a proportion of 40. (Example: $16/40 \times 8 \text{ hours/month} = 3.2 \text{ hours/month}$ employed). All part-time employees hired before July 1, 2008 will be able to accumulate sick time without limit.

Part-time employees hired after July 1, 2008 will earn sick days on a pro-rated basis (based upon their scheduled weekly work hours as a proportion of 40, for example: $16/40 \times 8 \text{ hours/month} = 3.2 \text{ hours/month}$ employed), up to an annual maximum of 40 hours. Part-time employees shall be allowed to carry-over a maximum of forty (40) sick leave hours.

1. Absences chargeable against such sick leave time shall be allowed for the following reasons:
 - a. The employee's personal mental or physical illness, injury, or health condition; medical diagnosis, care or treatment of the employee's personal mental or physical illness, injury, or health condition; or preventative medical care for the employee. Sick time usage of more than three (3) consecutive days may require a doctor's note as requested by the College.
 - b. The employee's family member's mental or physical illness, injury, or health condition; medical diagnosis, care or treatment of the employee's family member's mental or physical illness, injury, or health condition; or preventative medical care for family member of the employee. Sick time usage of more than three (3) consecutive days may require a doctor's note as requested by the College.
 - c. If the eligible employee or the eligible employee's family member is a victim of domestic violence or sexual assault, the medical care or psychological or other counseling for physical or psychological injury or disability; to obtain services from a victim services organization; to relocate due to domestic violence or sexual assault; to obtain legal services; or to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault. The College may require an employee to provide documentation that the paid leave has been used for this purpose.
 - d. For closure of the eligible employee's primary workplace by order of a public official due to a public health emergency; for an eligible employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency; or if it has been determined by the health authorities having jurisdiction or by a health care provider that the eligible employee's or eligible employee's family member's presence in the community would jeopardize the health of others because of the eligible employee's or family member's exposure to a communicable disease, whether or not the eligible employee or family member has actually contracted the communicable disease. The

College may require an employee to provide documentation that the paid leave has been used for this purpose.

For purposes of the above leaves (paragraphs a-d):

- Absences shall not exceed ten (10) days per year unless specifically approved by the Head of Physical Plant or approved under FMLA.
 - Family member is defined as: a) a biological, adopted or foster child, stepchild or legal ward, or a child to whom the employee stands in loco parentis; b) a biological parent, foster parent, stepparent, or adoptive parent or legal guardian of an employee or an employee's spouse or an individual who stood in loco parentis when the employee was a minor; c) an individual to whom the employee is legally married under the laws of any state; d) a grandparent; e) a grandchild; f) a biological, foster, or adopted sibling.
2. Death in the immediate family to include father, mother, son, daughter, stepchild, parent or child in loco parentis, legal ward or spouse, brother, sister, father-in-law, mother-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, grandparents, grandparents-in-law, grandchildren with a limit of five (5) consecutive days per occurrence unless non-consecutive time approved by the College. Not charged to leave time. In the instance of the death of a spouse or child, five (5) additional consecutive days (making a total of ten days) may be granted if requested in writing and approved by the Head of Physical Plant. These five (5) additional days are to be taken as vacation time or as unpaid leave time.
 3. Death in the non-immediate family with a limit of two (2) days allowed per occurrence. Non-immediate family is defined as aunt, uncle, niece, or nephew. Chargeable to leave time.
 4. Up to two (2) days in any one fiscal year may be taken by the employee for emergency absences, funerals or personal business if requested in writing in advance and approved by the Head of Administrative Services in advance. Non-chargeable to leave time. Part time employees shall have their personal days pro-rated to their scheduled work hours. Emergency absences must be reported as soon as possible but no later than 24 hours after the event.
 5. To the extent possible, employees should try to schedule non-illness medical, dental, and/or vision exams during non-work hours. However, when necessary, sick time may be used for regularly scheduled non-illness medical, dental, or vision exams during work hours by requesting sick leave and obtaining approval from the Head of Physical Plant in advance.
- B. Any earned, unused sick leave time accumulated up to fifty (50) days shall, at time of death, be paid to the employee's estate or designated beneficiary.
 - C. Used but unearned annual sick days shall be deducted in final pay reconciliation at termination.
 - D. In any case where a school employee is absent from their employment by reason of an injury compensable under the Worker's Compensation Act, such an employee shall be paid the amount payable to them under the existing sick leave policy, less the amount of compensation payable to such employee under said Act.
 - E. The number of days deductible from such employee's sick leave time bank, computed on the basis of the amount of compensation paid to them under the Act, as measured by their regular salary, shall not be deducted from the sick leave time bank. In cases where the amount of compensation paid equals more than $\frac{1}{2}$ (one-half) day, but less than one (1) whole day, the whole day shall be allowed.

- F. Evidence of illness may be required of employees showing excessive sick leave days being taken. Excessive use shall be determined on an individual basis. Employees will be notified when their sick day usage is deemed excessive by the College. Copies of such notifications will be given to the Union. Paid leave (exclusive of vacation) and personal days absence and abuse as determined by the College could result in disciplinary action being taken against the employee. At the request of either party the College and Union will review sick day usage.

Employees will not be permitted to take time off without pay unless all sick time is exhausted and medical documentation is provided of a serious medical condition as defined by the FMLA. The employer may waive this requirement at its discretion.

- G. If an employee has been on sick leave and if the College has reasonable doubt as to the employee's ability to return to work, the College has the right to request that the employee present reasonable medical proof of the employee's ability to return to work. This may include a doctor's written statement. Further verification beyond this may include examination by a physician selected and paid for by the College.

The intent of an independent medical exam is to decide whether a member is fit to work with restriction, without restriction, or unable to work at all. Should the treating physician's diagnosis differ from the independent medical exam diagnosis, the College will arrange for a third opinion, at the College's expense, to make a final diagnosis. The College will provide a list of three medical providers from which the union and employee may choose.

- H. Maternity. The employee shall notify the College as soon as she is aware she will require a maternity leave and shall provide the approximate expected date the leave will commence. In the event that the College questions her medical ability to continue to perform her duties, the College may require an updated statement from her doctor that she remains able to continue her employment. The maternity leave for such an employee shall be for the period of time for which her treating physician determines she must remain off work. This leave shall be paid if employee has leave time available and requests said leave. Employees may also be eligible for unpaid FMLA leave as permitted by law or at the sole discretion of the college.
- I. A leave of absence, with pay, not chargeable against an employee's leave time allowance, shall be granted when an employee is called for jury duty. The College shall pay the employee their full pay and the employee shall turn over to the College any remuneration received for such jury duty, excluding any mileage and other expenses.

ARTICLE XII

Unpaid Leave Time

A. Leave of absence shall be granted for the following reasons:

1. Military Services. Employees shall be granted and receive benefits as provided by law. Employees granted a leave for this reason shall be given full credit on the Seniority List.
2. Short-term unpaid leave: An employee may apply for a leave of absence of not more than ten (10) working days. This leave can be taken consecutively with vacation time. The leave of absence may be granted, upon written request by the employee, at the sole discretion of the Head of Human Resources with input from the immediate supervisor.
3. Family and Medical Leave: As permitted by law, eligible employees may take up to 12 weeks of leave in a 12-month period, with continuation of health benefits, for one or more of the following reasons:
 - The birth of a son or daughter or placement of a son or daughter with the employee for adoption or foster care;
 - To care for a spouse, son, daughter, or parent who has a serious health condition;
 - For a serious health condition that makes the employee unable to perform the essential functions of their job; or
 - For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is a military member on covered active duty or call to covered active duty status.

To the extent permitted by law, the College shall have the right to have paid leave and FMLA leave run concurrently. Family members shall be defined by FMLA law. The year shall be determined forward twelve (12) months from the date that the employee commences the FMLA. The employee shall be reinstated to their position upon return from leave per FMLA regulations.

B. Written requests for unpaid leaves of absence must be addressed to the Head of Human Resources or designee and must contain the reason for the request, the effective date, the duration, and a copy of orders if (1), or a signed statement from the physician if (2), (3) when applicable.

Any employee who falsified their reasons for leave of absence to engage in other employment shall be considered as having terminated their employment with the College.

Any employee on leave of absence for specified reasons above desiring to remain on leave of absence for reasons other than those originally specified shall make new application for further leave of absence under the terms of this paragraph, failing which the employee shall be considered as having terminated their employment with the College.

C. Reappointment after a Leave of Absence:

1. When leave has been granted to employees for personal medical reasons, satisfactory evidence of physical and mental health must be filed with the Head of Human Resources or designee as directed before the employee is allowed to return to duty.
2. Reassignment after a leave of more than 3 months shall be at discretion of the President if a position is available for which the employee is qualified subject to law.

D. Forced Leave of Absence:

1. The College may at its discretion require any employee to submit a physical and/or psychiatric examination at any time. The College reserves the right to designate the physician or physicians administering such examinations, but the College must pay the examining physician's fee.

In case an employee's record shows recurring absences, which appear to be the result of chronic illness, the College may require the employee to visit their doctor at stated intervals. These visits shall be at the College's expense
